ENVISION

a world of thriving communities where people experience reconciliation of broken relationships, restoration of hope, health and dignity, and eternal life through following Jesus Christ.

It begins with you.

Become an MAI Ambassador and join us in healing lives and transforming communities.

At MAI we build relationships with the world's most vulnerable people and together we work to heal communities both physically and spiritually.

We can't do it alone.

Jesus' ministry on earth revealed that he cares for the WHOLE person. He was moved by people's spiritual AND physical pain. At MAI, we strive to follow the example Jesus set for holistic healing. We use a development process called Community Health Evangelism (CHE) that addresses the needs of the whole person—physical, economic, spiritual, emotional, and social. As an MAI Ambassador you will have the opportunity to learn more about CHE, it's transformative impact and become equipped to share this good news with others! We invite you to be part of the MAI volunteer community.

You have a place here.
